ANNIVERSARY LOGO

"Foreningen til Knabstrupper Avlens Fremme med Hjemsted i Holbæk " was founded on the 21st of November 1947. On the 20th of March 1971, the association became nationwide under the name "Knabstrupperforeningen for Danmark". In 2017 Knabstrupperforeningen for Danmark has chosen to celebrate the 70th anniversary of the association's establishment.

The anniversary logo has been created by Jenda Sanderson and contains a drawing of a Knabstrupper mare with foal. The drawing was made back in 1986 by illustrator Mimi Harteg. As the attentive reader might have discovered, the name on the logo of the original association is called "Knabstrupperhestavlensforeningen for Holbæk Amt"; while in this text we state, that the name of the association was originally the " Foreningen til Knabstrupper Avlens Fremme med Hjemsted i Holbæk ". This is due to the fact that the association was founded under the name as shown in the logo. But at the founding General Assembly, it was decided to rename the association.

The logo will be used for anniversary plaques given to horses presented in 2017.

2017 KNN UK Knabstrupper Grading

Useful Information

Welcome to the 2017 KNN UK Knabstrupper Grading. The 2016 programme includes youngstock, gelding and mare gradings, as well as performance tests. We wish everybody the best of luck and, most importantly, a very good day. Many thanks to everyone for chipping in and help organise this year – your assistance is greatly appreciated!

Judges, Officials etc	<p>Organiser: Heidi Wilkin, Trinity House Farm, Holmpton, Withernsea, East Yorkshire, HU19 2QR Tel: (+44) 078111 29459 email: heidiwealleans@hotmail.com</p> <p>Nicole Jones & Jill Karadzic, hosts John Pate, Veterinary Bethany Slinger, Test rider</p> <p>Elisabeth Kjærgaard, KNN Ena Sparre, KNN</p> <p>Simply Equine Photography – Stephanie Koczy</p>
Stabling	If you have hired a stable, please ensure that everything is kept neat and tidy in front of your stables – follow guidelines of respective venues as to the protocol for mucking out etc.
DNA	If your horse is to have a DNA sample taken, please mention this to the Judges when measurements and description control are being undertaken.
Papers/Passports	Please bring all original papers/passport with your horse to the grading. Final grading stickers will be printed at the end of the day and results added to your horse's passport.
Bridles and Numbers	All animals must wear bridle numbers and these will be handed out the morning of the grading. Please be especially aware that all reins and lead ropes which need to be unclipped have to be of a quick release design .
Times	All times mentioned in the programme are approximate. Therefore please keep abreast of the timetable on the day so you are ready to present your horse when required to keep proceedings running smoothly. The grading results will be available one hour after the evaluation has finished.
Photographs	Please can you ensure that your horse/pony has been photographed for the stud book, stood up against a plain background – there will be a photographer present at each of the venues.

- All participants in the Knabstrupper Grading 2016 agree that they participate at their own risk.
- It is strongly recommended that participants have their own 3rd party insurance, that hard hats are worn whilst handling stallions, and body protectors worn whilst riding.
- Knabstrupperforeningen for Danmark or the organisers cannot be held liable for any kind of loss, injury or damage, whether direct or indirect, consequential or incidental, arising from participation in the Knabstrupper Grading 2016.

Informative Guidelines for Presentation at Events Organised by Knabstrupperforeningen for Danmark

To achieve a consistent presentation and therefore evaluation from venue to venue and from year to year, the following guidelines for participants and judges have been collated. As the headline indicates this should be understood as a guideline since specific circumstances and facilities may necessitate small adjustments. The judges' opinion will always take priority and be final. Basic in hand showing rules are not included in these guidelines.

General Rules

- Only healthy and disease free animals may be brought forward.
- It is the handler's responsibility to keep their animal(s) under control at all times for the safety of all concerned. The handler/owner is liable for any damages it may cause.
- Dress Code: The handler should wear discrete white clothing, black trousers may be worn.
- Grooming: The horse should be shown clean and well groomed
- Helping aids: It is permitted to carry a whip, but it is not allowed to tie plastic bags or similar to it

Bridles: Foals are not permitted to be shown in bits, but stallions must be shown bitted. All reins and lead ropes that are required to be taken off to show the animal loose must be of a **quick release nature**, so that clipping and unclipping can occur quickly and smoothly. This is easily achieved either by using a lead and Newmarket chain, or by attaching dog clips or lead rein clips to the ends of the reins. Bridle numbers must be worn so that they are clearly visible.
