

Rules for entry KNN stallion list.

The KNN stallion list is kept by the Mother Organization "Knabstrupperforeningen for Danmark". According to the general set of rules for stud-book keeping (Videnscentret Hest), the Mother Organization will publish every year before the 15th of February which stallions are registered and approved for the list of the coming season. If the stallion is not registered on the stallion list in the year of covering, the offspring can not be registered in the KNN.
